**DECLARATION OF ALBERTO COLOMBO**  
**BEFORE THE COMMEMORATION OF JUNE 26, 2014**

Alberto Colombo - author of the books on the plane crash of June 26, 1959 and collaborator at no charge of the municipal administration of Olgiate Olona for the organization of the commemorative events - declared: *«Over the past six years many people have strengthened the memory of June 26, 1959 proving the high value of the commemorative events awarded by the President of the Italian Republic. Fifty-five years after the plane crash, the community of Olgiate Olona still remembers the seventy immortal lives and embraces their relatives, some of which are coming from abroad for the first time: the ceremony will be sober and solemn as usual, like the daily and invisible actions made throughout the year by many people who hand down the memory of June 26, 1959».*
