

## **Website dedicated to June 26, 1959 2 years online, nearly 7000 visits**

**Olgiate Olona, March 26, 2015**

The website *OlgiateOlona26giugno1959.org* dedicated to the memory of June 26, 1959 - with the patronage of the Municipality of Olgiate Olona – has grown continuously since March 25, 2013: all the knowledge of the disaster and every update about the commemorative events are illustrated in Italian and English languages by the massive amount of texts, unpublished documents, photo galleries, witnesses, mass media articles.

With nearly seven thousands visits (about 300 per month), the website consists of 312 pages (+ 28% compared to twelve months ago) 106 of which are dedicated to the seventy immortal lives, 616 pictures (+ 36% compared to 2014), 16 videos (+ 23%), 122 articles taken from the mass media (+ 28%), 143 external pdf documents (+ 29%) for a total of 320 pages (+ 49%). The contents have increased overall by 32%: the website now contains 1.455 files for a total weight of 410 MB and the continuous reorganization of graphic files facilitates a faster display of the pages.

Especially thanks to the website - at nearly fifty-six years from the day of the disaster - the memory of June 26, 1959, and the existing connections with the relatives of forty one of the seventy immortal lives have grown.
